Referral Criteria

Individuals can be of any age, but must have a life limiting illness at any stage.

Circle of Care Brief Description

Alta Northwest Palliative Care Society's Circle of Care Program is available at every stage and any age of a progressive life limiting-illness. We believe palliative care is not just about end of life,but about living well with support, dignity, and connection. Circle of Care is a community-based, in-home palliative support program designed to help individuals remain in the comfort of their own residence. Our specially trained volunteers are matched to you (or your family member) for non-medical companionship (friendly visiting), advance care planning and/or navigation assistance. Scheduled visits will be coordinated between the recipient and the volunteer and will occur in the recipient's place of residence. There is no cost to the individual (or family) for the Circle of Care Program, or other Alberta Northwest Palliative Care programs.

Refferal Information

Self Referral

Name _____

Phone _____ Email _____

Number _____

Were you referred to our program? ☐ Yes ☐ No
